Illustrated Guide to INCOTERMS 2000

☆ **Best Seller!**

INCOTERMS 2000 is a set of uniform rules for the interpretation of international commercial terms defining the costs, risks, and obligations of buyers and sellers in international transactions. This illustrated guide explains how and when to use INCOTERMS in international transactions, contains accepted contract language, and a notes and issues section. For each of the 13 terms, there is a definition, modes of transport covered, examples, 10 responsibilities for the seller, 10 responsibilities for the buyer, and an illustration graphically representing seller and buyer costs and risks. 31 pages.

Illustrated Guide to Letters of Credit

☆ **Best Seller!**

A letter of credit is the written promise of a bank, undertaken on behalf of a buyer, to pay a seller the amount specified in the credit provided the seller complies with the conditions set forth in the credit. This illustrated guide explains how letters of credit work, types of credits, the role of banks, the "Uniform Customs and Practice", parties to the transaction, issuance, amendment, utilization, settlement, availability, application, details on transactions, complying with a documentary credit, revocable vs. irrevocable, confirmed vs. unconfirmed, bank forms, and step-by-step illustrated instructions. 19 pages.

Global Supply Chain Security

☆ **Best Seller!**

Global supply chain security has become one of the hottest topics in international trade since 9/11 and the subsequent enactment of laws and regulations designed to secure the global supply chain. This is a detailed report on C-TPAT, the Container Security Initiative (CSI), the US Bio-Terrorism Act, the IMO ISPS Code, Automated Manifest System, Advance Manifest Regulations, PAPS, PARS and the ACE e-Manifest. It also contains a series of security checklists and a comprehensive security glossary. More than 80,000 copies in print. Note: This report contains the full text of the C-TPAT report. 80 pages.

C-TPAT (Customs Trade Partnership Against Terrorism)

☆ **Best Seller!**

C-TPAT is a voluntary US Customs and Border Protection initiative designed to build cooperative relationships that strengthen overall supply chain and border security. This is a detailed and well-organized guide covering eligibility, benefits, expectations, costs, best practices, application instructions, validation process, and specific security criteria for importers, sea carriers, rail carriers, highway carriers, foreign manufacturers, air carriers, air freight consolidators, licensed customs brokers, and US marine and port terminals. A must have for firms wishing to participate in C-TPAT. 36 pages.

Illustrated Guide to Trade Documentation

☆ **Best Seller!**

Documentation is a fundamental component in the process of completing international transactions. This is a guide to all the key documents used in international trade, including those required for transaction, export, transport, inspection, insurance, banking/payment and import. Twelve key documents are profiled. For each document there is a full-page sample, definition, key elements description, and caution and notes listing. Introductory pages detail how documents are used in transactions, transport, banking and export/import procedures. More than 200,000 copies in print. 29 pages.

Guide to International Outsourcing

☆ **Best Seller!**

Outsourcing has become a key component in the success of domestic and international firms. This guide provides definitions and examples of all types of outsourcing, establishes distinctions between the different types, a provocative essay on the future of outsourcing, challenges and issues, country issues, vendor selection, data security, intellectual property rights, project management, pricing models, billing models, payment options, negotiating relationships, contractual framework (with contract checklist), profiles of five outsourcing powerhouses, and an information sources for outsourcing. 26 pages.

Illustrated Guide to Ocean Cargo Vessels and Ocean Freight Containers

☆ **Best Seller!**

By year 2000, the majority of cargo shipped in international trade was being shipped in ocean freight containers. This is the world's most comprehensive illustrated guide to ocean cargo vessels and ocean freight containers. For each type of cargo ship there is an illustration and description. For each type of container there is a 3-D illustration, exterior and interior specifications, tare weights, payload capacities and volume capacities. The guide also contains illustrations, specifications and descriptions of ship-to-shore cranes, straddle carriers, and reach stackers. 42 pages.

Illustrated Guide to Cargo Aircraft and Air Freight Containers (ULDs)

☆ **Best Seller!**

More high value and time sensitive cargo is being shipped by air freight than ever before. ULDs offer both security and damage protection for these high value shipments. This guide contains detailed illustrations, specifications and load plans for the seven most common cargo aircraft, and the 14 most commonly used air freight containers used in international trade. For each container type there is a 3-D illustration, exterior and interior specifications, tare weights, payload capacities and volume capacities. Essential for those who ship cargo by air. 19 pages.
